Project Title	Health Finance Specialist E-intern
Project Summary	The U.S. Agency for International Development's Office of Development Credit within the Bureau for Economic Growth, Agriculture, and Trade, is recruiting a highly skilled and motivated individual to be a Health Sector Strategy Analyst e-Intern from September 2015 to August 2016 on the Africa Team.
Country	United States
Agency	Agency for International Development
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	1

Project Description

- Survey landscape of private health financing in developing countries that USAID works in and determine how risk mitigants, specifically credit guarantees, could be utilized to unlock funding
- Survey USAID priorities and objectives in the global health sector, and where private sector financing could help meet development goals
- Identify and gain insight from other stakeholders in the health ecosystem, and how they could mutually benefit DCA's healthcare strategy
- Complete a strategy document and/or presentation that provides DCA a roadmap to proceed with the goal of expanding its health portfolio in a manner that meets USAID priorities in both impact and sustainability

Desired Skills Interests

Skill

Research and analytical abilities

Interest/background in private health systems development in emerging markets helpful.
